

Miracles that follow the plow :: Big Test coming

Big Test coming - posted by mguldner (), on: 2017/12/7 13:28

I am currently in school for my degree in education and in order to get my license I have to pass a test called the PLT. This test will determine if I get my license, I can take it multiple times but the test costs more money than I would like to have paid and so I would prefer to pass the first time. Just some prayers that I get to the testing center safely and pass the test would be appreciated!

Thanks,
Matthew
