

WILL YOU JOIN AS A PRAYER PARTNER FOR REVIVAL CONFERENCE, SERMONINDEX SIMULCAST - posted by dbise

Greetings,

Brother Greg Gordon has announced that the Lord has allowed for him to set forth a time for us to gather in October for a Revival Conference. Made up of 12 speakers over 3 days to focus on this great need of our day, Revival for the Church.

We recognize that the church in North America is not where it needs to be in its pursuit of holiness, Christ-likeness, Holy Spirit fullness and in prevailing powerful praying. As Jesus, in Revelation 3, rebuked the church of Laodicea for their lukewarmness, so comes our condemnation. We are in desperate times as we have seen in our life time evil increase, sin dominate, and wickedness prevail over the hearts, minds and souls of our nation, future, families and even in the church. This time is needed to return to the Lord with whole hearts, clean hearts, and Spirit filled hearts.

You are being asked to consider joining us in prayer for these special days of gathering. Praying for the many aspects that lead up to this time and prepare the ground for our gathering. We are asking for you to consider to pray for the following:

1. Time and place: October 3 (prayer gathering), October 4 - 6, 2018, Revival Conference at Westside Christian Fellowship, Leona Valley, CA;
2. Speakers: 12 speakers: Brain Long; John Avant; Glenn Shepherd; Edgar Reich; Shane Idleman; Sandeep Poonen; David Guzik; Douglas Detert; Al Whittinghill; Malachi O'Brien; Keith Daniel and Dan Biser;
3. Simulcast Viewers: with tech advancements we will be able to broadcast this conference to many around the world; And with this, there is the added issue of tech issues for all to work properly and go right. As well as to pray for those churches, houses, that will be hosting and those that will be gathered together in their respective places to participate with us.
4. This will be a holy time for this gathering and we are asking for a dominant, captivating Presence of the Holy Ghost to fall on those before, during and after. Prevailing prayer is the means to accomplish this.

Now over the next 5 and 1/2 months there will be updates and other issues to bring before you prayer partners. There will be special conference calls for prayer scheduled each month and each week to focus on these days. This is an initial letter of invitation to ask of you to join us. Please contact me or Greg to receive emails and communications regarding these prayer needs.

We will certainly be agreeing with you in prayer here for the upcoming conference.

I hope to make it to this conference in person, it would be a first SermonIndex conference for me, I've always had to watch them via internet in the past.

In Christ,
