The revivals in Korea were not just the Pyongyang revival of 1907-10, though it was the largest & triggered many conversions throughout the nation prior to World War II. The Lord worked powerfully in Won San in 1903-06 as well.

That 8 minute video should be seen by every intercessor on this forum.

“the Korean Revival” came in three waves, 1903, 1905 and 1907, the membership of the churches quadrupling within a decade, the national Church being created from almost nothing by the movement.

From 1900 - 1910 there were world wide revivals. This was known as a “decade of revival.”
