

Devotional Thoughts :: The Patience of Jesus Christ

The Patience of Jesus Christ - posted by MartinKelly, on: 2018/8/16 15:44

After outlining his previous way of life as a blasphemers, an injurious and a persecutor the Apostle Paul, reveals, for our encouragement, the wonderful mercy and grace of God.

He states that Jesus Christ demonstrates how longsuffering and patient he is, by the example of Paul's own conversion, In spite of the enormity of his sins. He shows that the same grace which he had obtained would not be wanting also to those who should hereafter believe. No matter how far their sin had taken them, no matter how vile they were. There would be mercy, even to the chief of sinners.

This is a faithful saying, and worthy of all acceptation, that Christ Jesus came into the world to save sinners; of whom I am chief. Howbeit for this cause I obtained mercy, that in me first Jesus Christ might shew forth all longsuffering, for a pattern to them which should hereafter believe on him to life everlasting. Now unto the King eternal, immortal, invisible, the only wise God, be honour and glory for ever and ever. Amen
