Further thoughts on Ecumenism/divisions in the Church? - posted by Elibeth, on: 2018/12/1 13:22

I am putting this out there because of the on going subject of Francis Chan, and the warning to the Church.

This tape by Art , came to mind, ..

Art Katz has a tape on this subject, ..

K-063

Apostolicity or Ecumenism?

I don't know if you may be able to find it in SI or not.

Since many here appreciate his thoughts on subjects, I thought you might like to look this up.

I plan to revisit his thoughts this evening.

Sister

This message is missing on Art Katz's official website: <http://artkatzministries.org/audio-messages/numerical-listing/numerical-index-of-audio-teachings/>

You could get in contact with them: <http://artkatzministries.org/contact/>. and see if they are missing the tape and perhaps send it to them to digitize and add.

Thanks Greg,

For all the help, .. I will see what I can do.

Maybe also, I might contact Art's daughter, Christine to see if she possibly could help.
