Good to hear his confession:)

Indeed it is so!™••»

Thanks for sharing!

Nick Foles for the Eagles is also a strong Christian, unashamedly so.

I think it is important that we not underestimate their influence or criticize them because they are involved in sports.

God places His people everywhere in many professions and jobs.

Amen Todd!

God is giving certain men a platform to glorify Jesus! It's about time that we have some good Christian role models to be shining examples for our young people.
