Bonus Pre-Reunion Event: Discipleship Training

Come to Heaven's Family's Reunion two days early to benefit from special discipleship training from Curtis Serg eant, one of the most successful missionary disciple-makers in the world today.

When Curtis moved to China's Hainan Province, the Hainanese were an unreached, unengaged people group of al most 7 million. There were less than 100 known Christian believers who worshipped in unregistered churches. Today, th ere are almost 1 million Hainanese believers who can trace their spiritual lineage back to Curtis, all due to the disciple-m aking movement he catalyzed.

Most all of Heaven's Family's staff members will be joining this special two days of training, as well as a number of devoted and strategic ministers from across the country. This is an opportunity to learn the concepts Curtis used to la unch a disciple-making movement in your part of the world! Don't miss it!
