Revival Hymn - posted by malaybalay, on: 2005/7/14 15:57

Does anyone know where I can get the "Revival Hymn" compilation without the music? I first heard it at a mission team boot camp with the music in the middle cut out. I love the preaching part, but cannot agree with the music part (nor do I believe these preachers would). I would like to be able to play "Revival Hymn" for my friends and recommend it to others, but I cannot as long as the music is there. Is there some way to take it out? Or is it already available without the music somewhere?

Hello malaylalay,

So glad you got to hear it...period. Being that it was put together as a compilation, it is outtakes taken from messages on this site. If you want to listen to the full sermons, try this link for starters:

Here is a link to one of the messages from Ian Paisley:
