does anyone know any other sermons about negativity? - posted by arbustum (), on: 2005/7/18 0:34

i heard this incredible message last night about the spirit of negativity and it really hit something in my spirit so i'm looking for some more sermons on this topic to see whether i can work out what's really going on, naturally they'd point me to references in the bible right?

can anyone help me out and recommend some speakers and their messages?

thanks.

I do recall some David Wilkerson sermons about people judging and deriding the minister. I would take a browse through his section and read the titles of his sermons.

but do they directly talk about the spirit of negativity?

I do not believe that there is a specific SPIRIT of negativity but rather people can harbour negative thoughts and intentions that come from the heart and ultimately allow a stronghold to be established in their hearts and minds. I think it's a work of the flesh and that we need to die to the flesh.

I am not sure if there are specific sermons you will have to browse around the downloads section and check for titles of sermons that seem similar to the topic you are looking for.

"Paul Rejoices Over Enemies" John R Rice

Does not directly mention the word "negativity," but addresses negative Christians and how to handle them, and what Paul said about them in Scripture.

On this site:

Look under Downloads.

Then under Other Speakers M - R.

Then under John Rice.

It's the second sermon, "Paul Rejoices Over Preaching by Enemies"
