Greetings

I found this site by following a link leading to a sermon by Tozer. Just from my initial browse through it looks quite interesting!

I'd like to hear from anyone what is really good about this forum and site and your recommendations.

I am a Christian of 21 years (basf), wife of a pastor, mother of a teenager, and friend to many.

Looking forward to hearing from someone

Blessings

Welcome Gloria to sermonindex. I am glad that you found this resource. Tozer is a good starting point definitely. Here are 2 other audio sermons I highly recommend you start with also:

Ten Shekels and a Shirt by Paris Reidhead

Revival Hymn by various speakers

I do look forward to your further participation on the site, God bless.
