Newberry Penfold Wide Margin KJV Available Feb. 2006 - posted by GodsPeace (), on: 2005/11/24 15:16

Hi,

I was interested in the Penfold edition of the Newberry Bible after reading about it on SI. Here's a link to that discussion:

So I did a web search and found that there is going to be a limited printing of a wide margin edition. It is a bit expensive, however. I have found two sources for purchase. Here are the URLs:
