SermonIndex Announcements :: Paul Ravenhill sermons

Paul Ravenhill sermons - posted by brentw (), on: 2005/12/14 15:17

Paul Ravenhill is L.Ravenhill son who is in S.America as a missionary. I have 10 audio sermons I'll copy and send out for free except shipping cost. These sermons are deep and powerful. If you want some, just reply.

Maybe you can send them to Greg and he can upload them on Sermonindex.net?

In Christ,

I would love to have these sermons. L Ravenhill, is my favorite all time author, and I have read all of Pauls articles at rav
enhill.org

I have never heard him preach, and would love your copies.

how come you can't put them into mp3 format and upload them to sermonindex?

Let me know how I can pay for the shipping

Your brother in Christ and In the Faith

William
