

Welcome & Intro :: Intro**Intro, on: 2003/7/3 1:19**

Hello!

My name is William and I'm 20 years old. I'm student and I've just completed my first year in university. I'm currently doing a B.A. in Religious Studies.

I attend Knox Presbyterian Church (Toronto, Spadina) when I'm at home. I'm still trying to find a church while I'm at school.

You won't be seeing me on the "Top Posters" list anytime soon since I rarely, if ever feel compelled to participate in forum discussions. I will say that I enjoy reading what you guys have to say.

If you're asking me why I've registered at this site it is because my long time friend "Mr. Webmaster" suckered me into it. I think he's done a great job with this site. :-P

I'm always open to chat with anyone about anything so feel free to PM me whenever you like. I hope you all have a wonderful time at sermonindex.net

God Bless,
William
