My Heart's Poem - posted by millstone (), on: 2006/3/6 15:34

Oh Lord Nearer

In the distance I hear your voice
Sound of a crashing waterfall
Oh Lord nearer is my choice
To you I do surrender all

No more of these barrier walls
To hinder my walk and my run
Let every other dead weight fall
That I might soar to the Son

To sit still with the Holy One
With my heart bursting with joy
Recalling the victory He won
For my life on Calvary's cross

By Milton Harrison
