Prayer from this many brothers and sisters is enough for now.

Make yourself comfortable here and read and drink in Christ.

He will help you and you will share with us of all of His Greatness. :-)

Look up ~ Our God is a God of HOPE.

HE is faithful.

Welcome and stay.

Annie

Daniel,

You are also in my prayers. Dark seasons are the worst...God has a huge plan...why else would Satan be attacking.

In Christ,
Debra

Lord
You have plans for us, that we may not understand yet or not at all. But thank You for those plans. It's hard to thank You for dark seasons, when we are going through it. Afterward it's not a problem thanking You. Help us to trust You more. To thank You more for Your plans for our lives. Come along side Daniel. Let Yourself be know in a way that only You can. Give the guidance as only You can.
In Jesus Name
Amen

Hi Daniel,

Think you will find many here who have gone in and come out of these times. Understand the difficulty in expression perhaps and explanation, but any examples you might offer may be helpful to us as intercessors and to yourself as to areas we might point to. There is a wealth of treasure here.

My prayers are with you, am in a bit of perplexity myself. This might be worth a look at, still reading through it all and listening;
