

## Afflictions, Refining Influence Of: The Tribulum

### ~Other Speakers G-L: Sermon Illustrations II:

In the pictures of the ancient Roman method of threshing grain, one man is always seen stirring up the sheaves while another rides over them in a crude cart equipped with rollers instead of wheels. Sharp stones and rough bits of iron were attached to these cylinders to help separate the husks from the grain. This simple cart was called a tribulum -- from which we get our word "tribulation." When great affliction comes to us, we often think of ourselves as being torn to pieces under the cruel pressures of adverse circumstances. Yet as no thresher ever yoked up his tribulum for the mere purpose of tearing up his sheaves but to disclose the precious grain, so our loving Savior never puts us under the pressure of sorrow and disappointment needlessly.
