

Alcoholism, A Disease?

~Other Speakers G-L: Sermon Illustrations II:

Is alcoholism a disease? If it is. . . .

It is the only disease that is contracted by an act of the will.

It is the only disease that requires a license to propagate it.

It is the only disease that is bottled and sold.

It is the only disease that requires outlets to spread it.

It is the only disease that produces a revenue for the government.

It is the only disease that provokes crime.

It is the only disease that is habit forming.

It is the only disease that is spread by advertizing.

It is the only disease that without a germ or virus cause.
