

**D.L. Moody:**

**Have faith in God! Take Him at His word! Believe what He says! Believe the record God has given of His Son! I can imagine some of you saying, "I want to, but I have not got the right kind of faith." What kind of faith do you want? Now, the idea that you want a different kind of faith is all wrong. Use the faith you have got; just believe on the Lord Jesus Christ. Not only that, you can't give any reason for not believing. If a man told me he couldn't believe me, I should have a right to ask him why he couldn't believe me. I should have a right to ask him if I had ever broken my word with him; and if I had not broken my word with him, he ought to believe me. I would like to ask you, has God ever broken His word? Never. My friends, He will keep His word. God condemns the world because they believe not on Him; that is the root of all evil. A man who believes in the Lord Jesus Christ won't murder, and lie, and do all these awful things. Don't get caught up by that terrible delusion that unbelief is a misfortune. Unbelief is not a misfortune, but is the sin of the world. Christ found it on all sides of the world. When He first got up from the grave, He found that His disciples doubted. He had reason to cry out against unbelief.**
