Life of Evan Roberts-Video - posted by UntoBabes (), on: 2014/5/10 18:58

Hi,
 I purchased this documentary DVD of the life of Evan Roberts and the Welsh revival a few years ago but recently saw it on you tube.
 It is an excellent source of inspiration for those hungry for another move of God. Just bear with the heavy Welsh accent.
 Enjoy and be inspired
 God bless

Brother,
 Thanks for sharing this video, that video "should not" be up on youtube we have removed the link to it and would recommend saints purchase the video here: <http://www.amazon.com/Diary-Of-Revival-Welsh-Awakening/dp/B00026L7Z4>
 I believe the curators of the video would not desire it to be freely released.

Oh, I am sorry.
 Perhaps it was put there without permission.

Yes no problem brother, I do think it is there without permission and because its a product being sold I just did not want to fully promote that on the website. I do also recommend people watch the video it is encouraging :)

Oh how I loved being in Wales! Oh LORD, do it again! Pour forth your Spirit upon the land that many would be saved and that Thy name would be exalted amongst the nations!

As Amazon has only FOUR copies left,(make that three now) as opposed to the 10,000 souls that watched it on youtube , you can also purchase it at the production website Vision Video
