â€œThe believers' fellowship is based on Christ. We can fellowship with one another because Christ is the life of the Body and the Head of the Body. At the same time, the enjoyment of this fellowship is the Holy Spirit. The more we live in the fellowship of the Body, the more we enjoy the anointing of the Spirit. But there is a condition to this: We have to allow the cross to deal with our flesh and our natural life in a thorough way. Whether or not a believer can enjoy this fellowship depends on whether he has dealt with his natural life. Our natural flesh only deserves to die; it only deserves to be in ashes, to be on the cross. We cannot think by ourselves; we are not qualified to propose anything by ourselves. We must allow Christ to have the absolute sovereignty over everything. We must allow Him to be the Lord in an absolute way. If our natural life is dealt with by the cross and if we submit to the headship of Christ and live the Body life, we will have the Spirit's anointing and enjoy the fellowship of the Body.â€

There is a lot of truth in that.
