Just wanted to say hello from VA. As we say around here....Ain't GOD good! For those who would prefer a more "dignified" statement LOL. Bless the LORD Oh my soul and ALL that is within me! Hold my mule, I'm a fixin' to SHOUT! I'm so glad I happened upon this forum. Blessings to you all. I look forward to meeting you all. :-D

Hi welcome to Sermonindex. I do pray that you are blessed by the resources on the website not just the forums. The primary use of the forums is to discuss the content and topics of the audio sermons on the website. If you can listen to these messages: Ten Shekels and a Shirt by Paris Reidhead and also The Revival Hymn

If you have any questions let me know.
