First ... how are our checks and balances for seeing if a person is signing on with two sign on names ?

Second ... what do we do with harrassing PMs ?
Do we report them ? Like if they're affecting/wearing us physically.

thanks.

Annie, I am sorry to hear you are experiencing this. I will be praying for you. Hope all went well at your Dr. appt.

I would send them to a moderator.

I don't think there is a way to check to see if a person is using 2 different names, unless they registered the same e-mail for both names. That would be my guess.
