

Welcome & Intro :: Hello from me!

Hello from me! - posted by Stan53 (), on: 2006/4/27 5:21

I do declare that the Lord led me here. I was looking for material by Major W. Ian Thomas and found it. I have looked at other speakers here. Some are, well lets say interesting, others have "life". A.W. Pink is one. I listened to a certain Mr. C airns. He is another.

Thank you Christ for Your life in us. Amen
