I just heard a great message by David Wilkerson called: "The wall is down"

This brought a lot of conviction on me. This will challenge anyones walk, especially those who still watch T.V.

god bless all

**Description:** In a Camp Meeting for the Church of God (Cleveland, Tn.) Wilkerson preaches from Ezekiel 13. This is a must hear for every Pastor and leader in every church across the world. What sort of plaster have you used on the wall.
