Hello Christian:

We are praying for salvation for your wife. That God will give her a new heart, open her eyes, and draw her to Himself. We pray that God will send his workers to her, as well as His angels to her to act as ministering spirits. We pray for salvation this day for her, and we thank God for answering our prayer in advance.

Amen

May God also bless you Christian, and keep you in His hand.

God bless,

Stever :-)
