Hi everyone.

Christian, I love to hear testimonies too!

Here are some that have really encouraged me:

Jackie Pullinger's Testimony

Nicky Cruz Testimony

I would also recommend the many different messages available here at SI from two others, they are:

Richard Wurmbrand

Many of these messages deal with the tremendous suffering he and others endured in Communist prisons for Christ. There is also a short testimony of Christ appearing to them while they were in prison. One message in particular, called The Return, has video footage of the Pastor returning to the underground cell where he was held captive and that was then being used to hold books for the ministry; a powerful and vivid example of the victory of God over godless atheism.

In much the same way, Corrie Ten Boom's messages relate much of her testimony of suffering and victory in Christ in a Nazi prison camp.

Edit:

Also, a message given by Keith Daniel called 'Absolute Surrender' has blessed me more than I can say. He relates some of the most amazing stories of God's seeking after and working in the lives of men and women that I have ever heard; they compel the heart of faith.

This thread was started in relation to the message also...

I am very grateful to have heard these messages.

Peace be with you all in Messiah Jesus.
