I have been going through a really hard time with my family - posted by deltadom (), on: 2006/5/28 11:31

At the moment my family has been going through a really hard time.
My dad has put his back out so he cannot work
I have had big problems with my dad
One of Dads workers put his arm out
All I want to do is obey the Lord
I am a mess and I need Jesus

Trust in the Lord with all thine heart, and lean not unto thine own understanding.
In all thy ways acknowledge Him, and He shall direct thy path. Proverbs 3:5 & 6.

I know it is hard when Family Members are involved, but God is faithful, He will make a way for you.

Just be honest with God and tell Him you can do nothing apart from Him.
Ask Him to help you take your hand off the situations in your life, and ask Him to give you His Grace to trust Him for ever ything.
He is concerned about all aspects of our lives.
He has brought me through so much in my 67 Years, and He has always been faithful to deliver me, at His appointed ti me.
Sometimes He has had to chaisetise me, and He does it in Love.
The darkest hour means dawn is just in sight.
He knows where you are and will not fail you.
You may think He's failed, but He cannot fail.
I
Hope & Ask God to lead you forth.
God Bless
Nellie

Hey, that's 90% of the battle right there, just honestly and humbly admitting your need. Your God and mine takes delight in filling that need.

(Deu 33:27) The eternal God is thy refuge, and underneath are the everlasting arms: and he shall thrust out the enemy f rom before thee; and shall say, Destroy them.

In Christ,
