Here is a short video clip by John Legg (WOTM - Australia).

He is preaching in the cinema after the 'Da Vinci Code' movie.

Thats awesome!

The book is pretty populair and another trick satan has to keep 'his' people away from the Truth.  
How many already doubt on the integrity of Gods word?

Hopefully this book is not populair among christians.

WOW. I am excited to see this. Praise God for Christians who are not lukewarm.
