

**Miracles that follow the plow :: Prayer Request**

**Prayer Request - posted by Nellie, on: 2006/5/30 21:35**

Please help me pray for Karen Bryant.  
She is in her 40's, and has Lung Cancer.  
She still has Children at Home.  
I still believe that Jesus heals today.  
Thank-you so much for helping me pray.  
God Bless all.  
Nellie
