Everyone knows about the great message (<https://www.sermonindex.net/modules/mydownloads/singlefile.php?lid282>) Ten Shekels and a Shirt, but how many of you have listened to Paris's other great message, (<https://www.sermonindex.net/modules/mydownloads/singlefile.php?lid281&commentViewitemComments>) Except Ye Repent?

This message is powerful and I want to bring it to everyone's attention. I can't believe it only has 2 comments! I think it goes hand in hand with Ten Shekels and a Shirt. This a very needed message for today's church.

For those interested, here is the spurgeon sermon that Paris referenced, (<http://www.ccel.org/ccel/spurgeon/sermons02.lii.html>) Turn or Burn

And here is the Book Paris referenced, (<http://www.uvm.edu/~sbross/repent/repent00.html>) Except Ye Repent by Harry Ironside

I tend to distribute this message as a part of a series, in this order:

(<https://www.sermonindex.net/modules/mydownloads/singlefile.php?lid40>) The right use of the law

(<https://www.sermonindex.net/modules/mydownloads/singlefile.php?lid281&commentViewItemComments>) Except ye repent

(<https://www.sermonindex.net/modules/mydownloads/singlefile.php?lid71>) God's work to be done God's way

(<https://www.sermonindex.net/modules/mydownloads/singlefile.php?lid3091>) The baptism of the Holy Spirit

(<https://www.sermonindex.net/modules/mydownloads/singlefile.php?lid1507>) If you agree

This I feel gives a good overall of Paris Reidhead's theology, and clarifies much of what is said in

(<https://www.sermonindex.net/modules/mydownloads/singlefile.php?lid282>) Ten Shekels and a Shirt

Another good message for a foundation in "Reidheadism" is

(<https://www.sermonindex.net/modules/mydownloads/visit.php?lid38>) Dangers of third generation religion.

Enjoy.
