More William MacDonald messages added... - posted by sermonindex (), on: 2006/6/22 3:12

I am pleased to announce that there are over **300** William MacDonald messages available now for download. He is a great brethren speaker who really has had a impact on my spiritual walk with Christ through a small book he published: "True Discipleship" I encourage you to get a copy and listen to the audio series by him on that topic.

William MacDonald
