

Miracles that follow the plow :: Slade Uth Weekend

Slade Uth Weekend, on: 2006/7/4 3:58

Hi guys, just wanted to put forward a prayer request if that's ok.

We are hosting a youth event at our church this weekend (7-9 July). Could you just really pray for it because we usually get quite a few non-Christians that turn up. We have about 70 people coming this year, and I would really appreciate prayer for it.

Just pray that God will be the centre of it all and that he will be glorified, and also that souls will be saved!

Thanks
