Introducing Myself, on: 2006/7/15 15:37

I was a leader of the 'Moonies religious cult. The Lord Jesus led me out. I was serving in Barbados West Indies. I got convicted to be baptised in Jesus Name. Jesus led me out. Jesus broke the yoke. He also gave me a wife. I was an overseer in the Moonies church running his (false) church in 8 different countries. No more. Goodbye devil. Hello Lord
