Going under?! - posted by brentw (), on: 2006/7/26 15:28

Hi all,

I really need prayer for my business!! I dont understand what is happening, but God is faithful. I'm going under slowly, and my wife is really stressed! I ask for prayer on our behalf. Thank you!

Brother,

May God have his hand on your business and speak to your heart about changes that might need to be made. God will be glorified in it all stay true to Him.
