BE READY WHEN THE BRIDEGROOM COMES

Words & Music: James M. Black, 1897

Are you walking now in the light of God?
Be ready when the Bridegroom comes.
Are you in the path that the Master trod?
Be ready when the Bridegroom comes.

Refrain

Will you be ready to enter in?
Ready when the Bridegroom comes?
In the morning light, or at noon, or night,
Be ready when the Bridegroom comes.

Have you full salvation from every sin?
Be ready when the Bridegroom comes.
Trusting in His Word, have you peace within?
Be ready when the Bridegroom comes.

Refrain

Is your heart made clean by the precious blood?
Be ready when the Bridegroom comes.
Have you been made white in the cleansing flood?
Be ready when the Bridegroom comes.

Refrain

He will come some day unto every soul;
Be ready when the Bridegroom comes.
By His healing power let Him make you whole—
Be ready when the Bridegroom comes.

Refrain
