Hello,
There is a conference in St. Louis going on around September 9th. Honestly, I dont even remember who is putting it on or what the purpose is. Im really just tagging along, and we have plans of meeting the Christ Our Life guys there. I was just wondering if anyone here had plans to go to that.

Joe

<http://www.baldpreachers.net/campmeeting>

There will be several godly families there - many lesser-known saints who display the brightness of Jesus Christ and are serious.
