Hello to everyone! What a treasure of a website!! - posted by bereangirl, on: 2006/8/24 20:00

I'm just a fairly new Sermonindex visitor. How I found this site was while I was looking for something else and discovered Art Katz and then discovered this website. I'm so thrilled with the volume of stuff on here, it's amazing! And good stuff to o! I am soooo tired of fluffy, nothing, waste your time sermons. For me, Art Katz's teaching has been so helpful. :-D

Blessings,

Bereangirl

Hi Sister,

Great that you found this website resource, when I ran across Art Katz teachings it really was a good pivotal point in my walk with Jesus Christ. I have found such a sense of truth with speakers such as: Leonard Ravenhill, T. Austin Sparks, A.W. Tozer and others. I hope that you are blessed more as you go through these old paths and seek out truth.

I highly recommend you listen to this sermon to start with also: Ten Shekels and a Shirt by Paris Reidhead.

If you have any questions let me know.

Hi bereangirl...

Welcome aboard! I only learned of Art Katz this past year. All I can say is -- WOW! His messages are so reminiscent o f other men of God like Leonard Ravenhill, David Wilkerson and A. W. Tozer. Yes, this website has blessed many with it s resources. These message are certainly "treasures hidden in a field."

I pray that you are encouraged and challenged by all that you find here!

:-)
