I just became a christian after listening to Spurgeon's "Christ our passover" after all this time I was a christian I realized I wasn't - part of my heart was held back. My doorpost was blank. So I am glad that this is what christianity is because it is way cooler than what I had before.

Praise the Lord!

But now you are just a babe. Do you have other Christians around to help you grow? You must make sure that you nourish yourself with prayer and the reading of His Word - it is how He will show Himself to you. Oh, the treasures you will find . . . !

We rejoice along with the angels in heaven!

Being born-again by the Spirit of God is the most remarkable experience of God's grace that any person can know. It is the beginning of a life that is changed radically for the glory of God.

God seeks those who willingly embrace the life of a bond-servant, people who give up their own rights and seek, with their whole heart, only to be found walking in the will of God.

In Christ,

Ron
