I was blessed by this, it would be a good printout for a bookmark:

The Hidden Purpose

Quite a poem. Brokenness. To be like Him.

We want to be like Jesus, but not take the route He took.

Take up your cross and follow Me, Jesus said.

We want to follow Him, but forget the cross.

No deal. All or nothing. That's God for you.

God bless.

Brother Greg,
Who did the beautiful art work on this?

For those who are willing to go through
the fire...precious treasures are discovered
there. He is worthy of all.

Blessings,
D.martin
