Have downloaded the magazine.

I always find these articles so encouraging, as I do the entire website.

Keep up the good work.

God bless.

Issue #10 downloaded and I can't wait to read it. I have found all the issues very helpful. I have enjoyed them and enjo  
yed sharing them with others. I also put some of the quotes in our bulletin under a heading called: SOMETHING TO THI  
NK ABOUT. God uses you and this ministry in many ways. Praise His holy name. I thank God for you.

Greg,

Brother, you have done the work. What a labor of love. By assembling materials of excellence and exhortation, you lift  
up the experience and fellowship back through the ages of many saints today. Thank you for all of your efforts. If the fir  
st nine issues are any indication, print this one on card stock.

I have printed out 50 copies of this issue. I really think this issue is worth sharing with others.

I had a thought of regret to hand this out to the local pastor because of the strong articles by Edwards and Washer. I would encourage anyone that is nervous to print and hand this out to their pastor would do it, this is the word of God and God's message to a loadicean church! It is time to let me people know its either rut ,rot or revival there is no other option.

Once again, this is another stirring issue that has blessed me so much. That article by George Mueller was very timely. Did you notice how many times he mentioned faith or believing God?

The last page with all the quotes was excellent. I always print out my copy and then go over it with a pen making notes and underlining key sentences. Page six is well marked! Such nuggets, you come up with brother Greg!

The pictures are always neat, but this time they seemed exceptional. Â'TreasuresÂ' is what one lady called them to whom I gave the newsletter.

Thank you, once again, for putting these together. And your articles have been so excellent and edifying!
