[Image: <http://www.gospelcom.net/images/logos/gospelcom.net.gif>] Over the last month I have been in talks with the huge Christian Organization: Gospelcom Communications Inc. After submitting this ministry to them they reviewed it and approved it to qualify for the "Gospelcom.net alliance":

What is a Gospelcom.net ministry? What distinguishes the 300+ ministries who comprise the Gospelcom.net alliance? What is the common vision that unites them?

What is a Gospelcom.net ministry?

A Gospelcom.net ministry is a Christian organization which has joined with hundreds of other like-minded ministries in the pursuit of a single goal: to spread the Good News of Jesus Christ using the medium of the Internet. The Gospelcom.net website serves as an entrypoint to the hundreds of ministry websites and resources available online.

heres a complete list of ministries involved:

heres a categorical listing of those ministries:

Praise God for this opportunity, they are hosting my site now for a nominal fee. And there are many other benefits to this partnership!!

This is great news.

"Luk 8:16 "No one lights a lamp and hides it under a bowl or puts it under a bed. Instead, he puts it on a lampstand so that those who come in will see the light."

Praise be to God!
