i just wanted everyone to know that the free music i was talking about is found here on Sermonindex, you can find it on the main page its called -Godly Music-

or here is a direct link

<https://www.sermonindex.net/modules/mydownloads/viewcat.php?cid=168>

personally have i been very blessed by
Christ our life
Jeff Wooldridge
Scripture Songs

and i think there is all together over 800 songs totally free to download, so praise God and pray he will bring up more artists who will give freely away thier music.

so if anyone havent checked that section out or didnt know it existed now you do.
