Thats great you feel led to fast brother, If you have not done so already please sign your name in the 'A Call to Fast' forum here (just simply go to the last post and press the reply button):

(https://www.sermonindex.net/modules/newbb/viewtopic.php?topic_id1358&forum12&23) EVENT: A Call to Fast (3 day fast)

I encourage others to check out that thread also for details on this event and also listen to the message:

(<https://www.sermonindex.net/modules/mydownloads/visit.php?lid3762>) The Journey From Prayer To Obedience by Carter Conlon. And during the fast people will be posting their prayer request so everyone that fasts can pray for each other on the site. It should be a great time of blessing for everyone that gets involved.
