If any of you on the site are looking for some old and rare christian albums and you don't live in Nashville Tenn. (there are some music warehouses there that hold tons of old music) there is a site I have found that might help.

www.sweet-music.com

Some of the music can be expensive sometimes, but if you love and appreciate the older contemporary music from the 70's to the early 90's then you'll love searching through this site.

In Christ,
