a lot of verses have been going around in my head/heart lately, especially ones pertaining to submission and humility.

"Submit yourselves therefore to God..."

"Humble yourselves therefore under the mighty hand of God..."

and others like that. well, i just replied on another thread, and the window came up that said

"thanks for your submission"

that made me smile :-)

that reminds me of a saying in our youth group. when something odd or "coincidental" happens, somebody says "thats not odd, thats God".

anyways... just something interesting...
