This message is not what your thinking. Speed up to 4 minutes into the message to avoid the slavic worship...unless you want to hear it..

but Pastor Gary (david's son) shares what is most important in 'growing' your church. I don't want to give it away. :-D

Oh yeah. Please post here when you've heard it. I'd like to talk about it with other brothers and sisters in Christ.

I'm gonna give it away.

and BTW- Greg, feel free to add this to the description on the site.

The message is about how to build your Church. Pastor Wilkerson shares the importance of building a Cross/Christ-Centered Church. The example he gives is Paul's resolve and determination to preach Christ and Him crucified to the Corinthian church -who are much like our present day Church..

Gary Wilkerson(David's son) also stresses the importance of not going the way of corporate CEO like "pastors" and following after manifestations and various building projects. Its an awesome message that I'd recommend every pastor listen to.
