Saints,

This is a very strong message. I believe it is very needful for many to hear this message on this website. Bill McCleod speaks with a burdened heart and weeps at the end. I will be featuring this message God willing in the weeks to come. Open your heart to God and hear his burdened cry to your spirit.

I listened to this sermon today, a very good message, really set my eyes on "getting" filled with the spirit, and all that's involved.... may we do what is required of us daily so that the spirit can flow out of us.
