### Recent Gerhard Du Toit messages, on: 2007/2/20 18:34

I just received a set of messages by (<https://www.sermonindex.net/modules/mydownloads/viewcat.php?cid310>) Gerhard Du Toit in the mail from (<http://www.charityministries.org/tapeministry/index.cfm>) Charity Gospel Tape Ministry. This series of messages was preached at a Charity church last December. The main emphasis is, of course, on prayer. They look really good; I am looking forward to listening to them and gleaning from the teachings of a man who is so burdened about prayer in the life of a Christian.

But I thought I would let any one know who might be interested that these messages are now available from CGTM.

~~~

A quote I heard on the first message:

"We know so much about the work of God; but the work of God knows so little about us."

Which set? I don't see a recent one. Is it special order?

I see one message on the Charity site from last December. Could you provide a link? Many thanks!

I don't think they are even on the website yet. You can email them and ask for the recent set of messages given back in December.

I saw on brother Gerhard's schedule that he was speaking at Charity in December so I emailed and asked for the messages probably a month and a half ago.

Hope that helps. :-)

Can anyone who is familiar with this man recommend some of his audio sermons available on this site?

Thanks

(<https://www.sermonindex.net/modules/mydownloads/viewcat.php?cid310>) Here is where his messages are on SI.

(<https://www.sermonindex.net/modules/mydownloads/visit.php?lid5284>) Why Should I Pray?

(<https://www.sermonindex.net/modules/mydownloads/visit.php?lid5282>) How To Be Cleansed and Filled With the Spirit

(<https://www.sermonindex.net/modules/mydownloads/visit.php?lid9129>) The Burden of God Brings Brokenness

I have these messages on cassette tape so I haven't actually listened to them here on SI. But those a few to get you started. ;-)

He has some messages available on Charity Gospel Tape Ministry's website. You can download mp3 or order tapes. I don't know if all of those messages are on this site or not.
