Saints,

I cannot stress the importance of listening to this message. God is speaking very clearly to the body of Christ, particularly in America and Canada. It is time we repent and cry out to God. It is time we trust in Him fully. Peoples "hearts are going to fail them." But if we are standing with Christ in that day our hearts will not fail. Wilkerson reads 2 Peter 3 which in my estimation is the most important scripture to read and memorize in these days. Thankyou Greg for the reminder.

Heb 12:1 "Wherefore, seeing we also are compassed about with so great a cloud of witnesses, let us lay aside every weight, and the sin which doth so easily beset us, and let us run with patience the race that is set before us."

Heb 12:2 "Looking unto Jesus the author and finisher of our faith; who for the joy that was set before him endured the cross, despising the shame, and is set down at the right hand of the throne of God."

Heb 12:3 "For consider him that endured such contradiction of sinners against himself, lest ye be wearied and faint in your minds."

What else really matters other than the will of God?

... "be diligent that ye may be found of him in peace, without spot, and blameless." - 2Peter 3:14b (kjv)

God help us to press on...

An undeserving brother,

It's the featured sermon in this week's Pulpit Series that Pastor David puts out every three weeks or so. You can sign up for free at (<http://www.worldchallenge.org/pulpit%5Fseries/subscribe.htm>) TSC Pulpit Series.

It has been a blessing to me and has encouraged me at times, provided the conviction of sin needed and since my internet time is limited it has provided a way to keep track with what Jesus is doing in and through Pastor David, who has been precious to me since I've become a Christian.

Prophetic Word from Pastor David

Please do listen to this message and hear the voice of God warning this generation. It is time to seek the Lord and hear His voice accurately Christians!

Re: - posted by Santana (), on: 2007/2/28 15:18

Pastor Dave preached at the 3pm service. Pastor Carter preached at the 10am service something similiar. (and they never share what there going to preach)

The part that really struck me was that the same thing going on with these men of God is the same thing that happened before 9/11.

There was a visitation from the Holy Spirit to TSC and for 3 weeks in August of 2001. All ministry's, meetings, outreaches were canceled there was service everynight of the week. Just pure silence and then a word.

The pastors couldn't explain or knew what it was about but then 9/11 hit.

Re: - posted by hmmhmm (), on: 2007/2/28 15:23

he speaks about that pastor Wilkerson, but i belive all saints can feel the "tention" in the "air", the spirit is preparing us... or at least i belive so. Can you feel it?

Rev 1:1 The Revelation of Jesus Christ, which God gave unto him, to show unto his servants things which must shortly come to pass.....

On another note: the New York stock market took it's biggest plunge yesterday since 9/11.

Re:, on: 2007/2/28 15:55

I found both of these messages (Wilkersons and Conlons) to be dangerously truthful. The trumpet sound grows louder and louder.

To those walking in holiness.. stand strong on the promises of God like never before.

To those who are compromised in known sin and worldliness, I truly believe God is making His last call for you to repent and turn to Him with all of your heart.

He who has ears to hear.

I received this newsletter yesterday with the date Feb 2, 2007, but the sermon was just added last night dated Feb 25th. I'm not sure when this was preached, but a little strange that I received the newsletter first. I couldn't figure out why it wasn't added to their site, but when I checked it was there.

It's time to press in deeper and come up higher! Everything that is not in HIM will crumble.

Hi everyone. The other day I was praying and I think I had fallen asleep. Anyway, I distinctly remember being awakened hearing these words in my mind:

"I'm calling you to stop the advance, to call back the terrible day."

I'm not certain of the order of the words now, but it was very similar to that. *Terrible day* definitely stands out in my recollection of it though.

I kept repeating the phrase in my mind after I *woke up*.

Whatever this was I wanted to share it with you all.

Dear Greg,

This is the most amazing word. I copied it and listened to it this morning. I too have felt something impending. I have had a sense of heaviness at times. Even a real urgency about the heart condition of family members.

Thanks for sharing this. I will be passing it on to many.

I have one question for you. Why is this prophecy different than those of Josef Urban and Dumitri Duduman? They seem the same to me.

Re: - posted by tinluke (), on: 2007/2/28 17:17

This is a song the Lord gave me to prepare for the time to come.

Who will ascend HIS Holy Hill
Who will climb the mountain of God

Come higher
In deeper
Oh who will ascend HIS Holy Hill and who will climb

As the battle rages all around, in My arms is where you're found
As the world is dying, lost in her sins, come deeper child...come closer, press in.

I'm your hiding place, your refuge, your comforter...rest in me.

Thanks Greg... for putting this message and many other on the web...God Bless you.

I agree with the brothers that the time is near. Something is happening in the spiritual world. Kinda like the troop massing for the attack on Normandy on D Day during World War II.

In any event David Wilkerson is one Watchman I trust and I really appreciate his Sermons being available on this site.

GOD Bless.

God has placed a urgency in my heart. My heart "failed" me spiritually this last week and I asked God why did this happen I am trusting you in why I am so anxious about the things happening with Iran and the world. and He spoke to me and said "Many Christian's hearts will fail them as the worlds if they are not fully trusting me and walking worthy of the gospel of the Lord Jesus Christ."

I believe this is the same thing Wilkerson was shown and spoke in this message.

I am not disagreeing fully with that. But it is a different word, a more sure word of prophecy I believe.

-----Thankful for men of God who through trials, brokenness, humility abasements, speak in tremblings these prophetic calls to faith, endurance and give assurance from God himself.
May we all be found in the ark of the cross, having found peace in Christ and the forgiveness of sins we are able to stand without fear, rejoicing in hope.
I was blessed by this message, that I already anticipated in my spirit and even now am being prepared to proclaim. Perfect love casts out all fear and may every Christian who hears this word be perfected in the Father's love.

-----My wife told me about the 3 years thing. I haven't listened to it yet. That lines seems to line up very well with the 14 year period that the Lord revealed to me, that started in 2004. 7 years of plenty, followed by seven years of famine, so to speak. Not speaking in the natural of course.

I do not know the origin of David Wilkerson's findings, but it sure does seem to line up.

There was another man, on these forums, who said that a war with America would begin in 2010.

in another thread we talked about why wont revival come?...

(https://www.sermonindex.net/modules/newbb/viewtopic.php?topic_id15161&forum40&18) why wont revival come? and a little about that, but what has being going thru my head is must the judgements of God first come before we wake up a nd the church repents? some day things Pastor wilkerson speak about will take place, are we ready then to go and be th e salt and the light of the earth? in the mist of darkness

a place of scripture that also comes to me

Amos 4:10-13 0 I have sent among you the pestilence after the manner of Egypt: your young men have I slain with the sword, and have taken away your horses; and I have made the stink of your camps to come up unto your nostrils: yet ha ve ye not returned unto me, saith the LORD. 11 I have overthrown some of you, as God overthrew Sodom and Gomorr ah, and ye were as a firebrand plucked out of the burning: yet have ye not returned unto me, saith the LORD. 12 Theref ore thus will I do unto thee, O Israel: and because I will do this unto thee, prepare to meet thy God, O Israel. 13 For, lo, he that formeth the mountains, and createth the wind, and declareth unto man what is his thought, that maketh the morni ng darkness, and treadeth upon the high places of the earth, The LORD, The God of hosts, is his name.

I gave a copy of this sermon to a brother at church last night. When he saw it was David Wilkerson he groaned. Please pray he and others will have ears to hear.

It seems most folks would rather live in denial and pretend we aren't on the brink. I have even heard some say that judg ment was paid at calvary and no judgment will come until the church is raptured. I say what if that isn't the case? What manner of men and women should we be?

Thanks again for sharing this. It shook me. I have followed David Wilkerson's ministry for at least 29 years getting his ne wsletters, however I don't get to listen to many of his sermons. I love and greatly respect the man of God.

hi,

I want to pick my words carefully as not to offend. After listening to Pastor Wilkerson I have to admit I wasn't as shocked as most of you. Mostly he talked about the bad state of the world etc and he is correct without fail that dreadful day will come and only because of God's abundant patience it hasn't. He did say a couple specific things for which I admire him for 1. Something bad was coming shortly, 2. The other was about the Iranian President.

We are told to test a word and that a true prophet is known because his words will come true and it is from God

I think that it's only right that that criteria is applied to all preachers in these "last days" including the esteemed preachers of our time so they are in some way held to account of prophecies made.

I would be surprised if Pastor Wilkerson didn't agree with me on this. I am not saying these things are not going to happen, in fact I know they will the scripture tells for instance that the region where Iran is will attack Israel and at this time Iran has a hugely anti-Semitic President. But we could jump to conclusions and put two and two together and get 5! Let our prophecies be from God and let them be tested and proved correct. I say this for all prophets not just singling out Pastor Wilkerson who I pray God uses to do great things,

This was an amazing message. I wish we would hear more messages like this in the modern-day churches. Complacency is one of the main diseases of the church, and I believe that diseases do not come from the Father. They come from the enemy. It's incredibly sad. I don't believe it's what Jesus intended when He breathed the Holy Spirit on His disciples in John 20. There are very few preachers that I know of that have the boldness to preach this kind of message. Awesome, just awesome. I seek more of this kind of preaching.

For myself, I am watching and waiting, not counting the days, but making the days count for my Lord. I won't live in fear but I won't be naive either. I've taken up my cross and am following in the footsteps of my Saviour and all that that entails.

Ahminejad doesn't scare me. Catastrophes don't scare me. The battle's been won by the blood and sacrifice of Jesus and the power of the enemy has been shattered to smithereens. We have not been given a spirit of fear, but of power, and of love, and of a sound mind. (2 Timothy 1:7).

Pray, pray, pray without ceasing, immerse yourself in the Word of God, ask God for his attributes to be mirrored in you (righteousness, justice, mercy, truth), live by faith, trust wholly and fully in the Word of God and His promises, turn over your will to Him and seek His will for your life, believe in Him without one shadow of a doubt, keep Christ's commandments, be fruitful and walk in communion with the Holy Spirit.

Not a tall order, just the recipe for abundant life. What a precious promise.

Just what I wanted to share tonight. Blessings to you all.

I listened to this message tonight. It is a very powerful message. I listened to it on the way to prayer meeting and didn't get it finished. During our prayer meeting I had such a burden for us Christians to be 'prepared' for what is coming. It's been weighing on my heart that if God were to visit my community with a spiritual awakening would my church be prepared to answer the questions of hundreds of people? If everything in the world fell apart tomorrow and people came to my church with questions, would we be prepared? Is everything right between me and God, between me and fellow believers? If things are not right then I am not prepared. That was my burden in prayer.

Then on the way home I finished the message and was struck with Pastor Wilkerson's plea to walk worthy of the Lord, to clear up anything that might be between you and a brother. Very powerful words!

Re: That Dreadful Day - posted by UniqueWebRev (), on: 2007/3/3 1:15

To me, it is a fear and an anguish mixed together that sometimes fills whole days until I remember to repeat KJV Timothy 1:7 For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind..

In addition, I can't bear to watch the news, because of the load of added pain, and the reminders of how quickly things are coming to pass. I have to do my 'watching' on the internet where there are no visuals to add distress.

I do greatly fear something is going to happen soon. I pray it will be God/Magog, since all is in place for that, now that Turkey is backing away from the E.U., but it could be something really drastic in the West, America for choice, since the Jihadists hate us as much as they hate Israel.

Thank you for bringing this up.

Many Blessings,

Re:, on: 2007/3/3 4:11

During my morning church this morning... my pastor was preaching Revelation 22:12... it was a little weird because I saw this thread yesterday and my pastor was talking about Jesus coming very soon today... remember, I am in Korea and my pastor does not speak English and I am sure that he has not been in any regular contact with 'Americans'... anyway, :-(-) mixed feelings about this one (meaning that I am happy Jesus will be coming, but it means that WE have a lot of work to do AND some people have to get their head out of the a.., so they can see the light.

Praise the Lord for this message! I presume it's recent.

What is so wonderful is that we have many, many cassettes (yes it dates me!!) of David's messages, and over the years he has been ridiculed for his sermons, but he is consistent!

I am thankful that we still have mighty men of God who are unafraid to say it like it is. People need a wake up call. Too many are being lulled into hell.....

He has a heart for the people.

This is a very important message. We need to be watchful and found faithful at all times because we don't know what the next moments holds. Thank God we who know Christ know who holds the next moment.

I feel the real urgency is to make sure those around us have an opportunity to hear the gospel and repent before no one can work.
