Welcome, Nickie! Well, there are lots of things on this website to keep you busy if you have a hunger for the things of God!

For preachers I recommend Keith Daniel, Paul Washer, David Wilkerson, and the list goes on. I've found it helpful to read comments on sermons made by other people.

Just start diggin'...I don't think you'll stay bored too long around here. :-)

Lord bless you, sister!

Hi Nickie

Tell us more about yourself. Especially your testimony, how you met Jesus etc.

No-one here will get tired or bored of reading about that!

Its good you have some girls your own age in your church. In some churches (in the UK at least), there are only a few older people "keeping the doors open". When I was about 30 and used to go preaching, one old lady said "It's nice to see a *young* person in the pulpit!"

Well, I sing. I sing a lot in church. My parents raise me with going to church and telling about God so I know him by that. I just sorta go along with what my parents and family tell me about Him and that is how I get to know him, by praying and you know, the usual stuff.
